

Strategic Planning – April 26th

Present: Cowell (minutes), Oliver (chair), Pavlovsky, Pezzullo-Bizon

Minutes from April 6th meeting were approved with no corrections

Matching recent/ongoing library activities to library strategic map:

Went over strategic plan columns A and B and reviewed where current library activities match up with objectives in the strategic map. The focus was to look at things that are done, not things that are in progress. Columns C and D will be reviewed at a future meeting.
