

LBSC Committee Meeting Minutes

February 18, 2022

Present: Andrew D'Apice (Co-Chair), Marlana Frackowski, John Oliver, Paula Rainey, (Co-Chair, minutes), Katy Robinson

- Approved November minutes. There was no December 2021 meeting.
- Student Representative, Stella Shong emailed Paula that she is unable to meet due to her change in schedule. She said she already informed SGA about her schedule conflict.
- Andrew will reach out to SGA for another student representative.
- Group discussed the future tasks of LBSC, given that COVID restrictions will diminish.
- LBSC is charged with reviewing the safety guidelines. What are some safety issues the library needs to consider? (For example: power outlets, emergency procedures, etc.) Input suggestions in this google document: [this Google Doc](#).
- Should we reconsider group study room reservations? How about the use of one person in the library study room at a time?
- Should we consider arranging carrels into single pods? Students want quiet space but also want to feel that they are in a private room.
- Paula brought up the Library App which highlights the availability (not how many people are in the room) of group study rooms in real time.
- Next Meeting is scheduled for Thursday, March 17, 2022 from 11:00 am - 12:20 pm.
