

## LBSC Committee Meeting Minutes

September 19, 2021

Present: Andrew D'Apice (Co-Chair), Marlena Frackowski, John Oliver, Paula Rainey, (Co-Chair, minutes), Stella Shong

Excused: Katy Robinson, Vanshi Shah

- LBSC welcomed student representative, Stella Shong.
- At the last meeting, LBSC discussed how there are no group study rooms in the library with adapted technology equipment. Should the library dedicate a group study room for those members who need this technology? Andrew emailed the Dean of the Library, Taras Pavlovsky about formulating a charge. Dean Pavlvosky recommended LBSC request a form proposal to Library Steering. The group will work on this proposal via google docs.
- LBSC also discussed the current mask policy and ways to enforce this policy. How can we strongly communicate to the campus community (specifically students) the importance of this policy. Could we send a qualtrics survey to students about the mask policy?

Future Business:

- LBSC draft proposal to Steering: re: Adapted Technology - Group Study Room.
- Our next meeting is scheduled for Friday, 10//15/2021 at 2:00 pm.
